IN RECOGNITION OF THE 200TH ANNIVERSARY OF THE "STAR SPANGLED BANNER" AND HONORING OUR FLAG

HON. EDWARD R. ROYCE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 8, 2014

Mr. ROYCE. Mr. Speaker, two hundred years ago, on September 14, 1814, Francis Scott Key and two other Americans, one a prisoner of the British whose release Key had been commissioned to negotiate, waited anxiously for the outcome of the battle begun nearly 24 hours earlier. Although Key had secured the release of Dr. William Beams, they were detained by the British overnight because they had overheard the British attack plans.

During the rainy night, Key had witnessed the bombardment of Fort McHenry, and observed that the fort's smaller "storm flag" continued to fly. At dawn, Key was inspired by the American victory and the sight of a larger American flag, with fifteen stars and fifteen stripes flying triumphantly above the fort. This flag remains on public display in the Smithsonian's National Museum of American History.

The whole event inspired Key to write a poem, titled "Defence of Fort M'Henry." It was soon set to music and performed to an enthusiastic public audience as "The Star Spangled Banner" less than a month later. In 1931, Congress adopted it as the national anthem of the United States.

Orange County, California, which makes up most of the 39th Congressional District I represent, is home to one of Francis Scott Key's descendants. George Key, the great great grandson of the author of our national anthem, is a resident of San Clemente and a member of the "greatest generation." A veteran of both World War II and the Korean Conflict, Mr. Key has honored his heritage by leading efforts in his own community to honor the flag that inspired his ancestor.

Mr. Key is known as "The Flagman of San Clemente." Even at 90 years of age, he continues to work with local schools, the Daughters of the American Revolution, the Boy Scouts, and others, teaching them U.S. history and how to properly dispose of American flags. He collects tattered flags from drop points in the city and arranges for their proper disposal. Along with a colleague, he created a program to honor veterans and their families by flying flags over San Clemente City Hall when the veterans pass away.

I am pleased to recognize the 200th Anniversary of the "Star Spangled Banner," and the legacy of the Key family in honoring our nation's flag.

CONGRESSIONAL RECOGNITION
FOR THE TUCSON ARIZONA BOYS
CHORUS IN HONOR OF THEIR
75TH ANNIVERSARY

HON. RON BARBER

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 8, 2014

Mr. BARBER. Mr. Speaker, I rise today to recognize the Tucson Arizona Boys Chorus, which will be celebrating its 75th anniversary this year.

Established in 1939, the Tucson Arizona Boys Chorus was formed by Eduardo Caso, a teacher and singer in Arizona recovering from tuberculosis. The choir quickly rose to prominence, starring in early national radio and television broadcasts, and even performing at the 1950 Chicago World's Fair.

The Chorus continued to grow, aggressively traveling to all corners of the globe, a mission that continues to this day. They have performed in over 25 different countries, visiting every continent except Antarctica. From Tucson to the former Soviet Union, from the Vatican to Super Bowl XXX, this extraordinary institution has continuously embodied those qualities that make southern Arizona such a treasure.

Vital to the Chorus' mission is the development of its members through concentrated character growth. These young men learn core values such as leadership, responsibility, sincerity, integrity, reliability and honor.

Under the direction of Dr. Julian Ackerley, the Tucson Arizona Boys Chorus shares the values and traditions of southern Arizona with the world. I congratulate the Tucson Arizona Boys Chorus on 75 years of excellence and wish them the best for the next 75 years to come.

The hours of operation are Monday through Friday from 8:00 a.m. to 4:30 p.m. Rainbow's mission is to provide child care services and a safe learning environment that focuses on the developmental needs of the children. The center serves families in Leland, Mississippi, and the surrounding towns.

Rainbow strives to provide a quality early childhood education program filled with love and compassion for children. They believe that children are the most important resource and that the early childhood experiences are crucial in the development of their future.

Rainbow's belief is that the family is the strongest influence in the child's growth and development. They extend the child's home

experience and provide new and different experiences of value. Rainbow's program is based on the knowledge that children learn best through play and active hands-on activities. Using developmental appropriate materials to stimulate and explore their potential is their goal.

Growth occurs in developmental stages and each stage must be offered, encouraged and supported. Rainbow's classrooms are arranged in an environment that presents maximum opportunities for cognitive development, discovery learning and an awareness of cultural diversity. They offer clean and spacious learning centers that offer a wide variety of daily activities to encourage and challenge each child.

Rainbow's learning environment will empower children and enhance self-esteem by creating an atmosphere where social, emotional, physical, and cognitive development can take place. By encouraging children to learn and develop at their own level, they will gain the confidence of self-importance. Rainbow offers children guidance and understanding, so they will have the opportunity to explore their world in a safe and controlled environment.

Rainbow provides nutritional meals and snacks. All meals meet the nutritional guidelines set by the USDA.

Each caregiver receives on-going training through staff meetings and during early childhood conferences and workshops that are held throughout the year. All Rainbow employees are trained in Pediatric CPR and First Aid. Rainbow accepts all children regardless of race, color, creed, and sex, religious or ethnic backgrounds.

Mr. Speaker, I ask my colleagues to join me in recognizing the Rainbow Learning & Daycare Center for its dedication to serving others.

TRIBUTE TO MAYOR DICK
CALLAWAY

HON. SHELLEY MOORE CAPITO

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 8, 2014

Mrs. CAPITO. Mr. Speaker, I rise today to honor Dick Callaway, Mayor of the City of St. Albans, who has been honored by his peers at the West Virginia Municipal League recognizing him as 2014 Mayor of the Year. He has dutifully served the City of St. Albans as its Mayor for eight years, elected in 2009 and 2013. I have had the honor to work with Mayor Callaway on numerous occasions, and have always admired his professionalism, his vision and his concern for his constituents and the community.

Mayor Callaway is very involved with other organizations that affect the quality of life of the City of St. Albans and Kanawha County. He currently holds seats on the Board of Directors for the Charleston Area Alliance, Regional Development Authority, and Bridge Valley Community and Technical College Foundation. In addition, he is the Past President of the WV Municipal League and is currently Chairman of the Regional Intergovernmental Council, which provides an array of services that support economic development, infrastructure, planning and intergovernmental cooperation.

Before serving the City of St. Albans, Callaway was involved in broadcasting and education. He is a past president of the WV Associated Press Broadcasters Association. He is the former owner and operator of radio stations in both Charleston and Boone County, WV. He has served as a member of the executive council for AARP West Virginia. While with AARP, he produced and hosted the AARP West Virginia television broadcast. Before becoming mayor, Callaway produced and hosted several television programs in the Charleston viewing area. Callaway is the current host of "Community Issues" for the West Virginia Library Network. In the field of Education, he served as the President of the WV Vocational Education Association.

These experiences have proven invaluable in his duties and performance as Mayor. Under his leadership, the St. Albans Drug Prevention Task Force was established; St. Alban's Main Street was opened for economic development; the old Alban Theater was purchased and transformed into a theatrical production house for theatrical performances and as a home for the Alban Arts Academy for classes in the performing and visual arts. He also oversaw the reconstruction of the Dick Henderson Bridge, an essential span over the Kanawha River connecting the Cities of St. Albans and Nitro. Callaway also saves the St. Albans Municipal Utility Commission at least \$75,000 annually by serving as its General Manager.

Callaway, and his wife Libby, celebrated their 51st wedding anniversary in July of this year. He and Libby have two daughters, six grandchildren, and are the loving pet parents to Becker the beagle and Roz the terrier. Even with his hectic schedule, Mayor Callaway takes his 90+ year-old Mother to the beauty parlor and shopping every Saturday morning.

His leadership gifts shine not only on the professional front, but also in his personal life. Callaway is a Deacon and Adult Bible Study Teacher at First Baptist Church in St. Albans. He is kind hearted, mild mannered and always ready to help others, which has gained him the support, love and respect of not only the citizens of St. Albans, but his employees as well.

Mr. Speaker, the State of West Virginia, City of St. Albans, and indeed, the United States of America owe Mayor Dick Callaway a debt of gratitude for his many years of distinguished service. I would like to close by offering Congratulations to Mayor Callaway on this prestigious, much deserved honor. I am truly privileged to call him my friend and fellow West Virginian.
